

## THE BOURBON NEWS.

PUBLISHED EVERY TUESDAY AND FRIDAY  
SWIFT CHAMP, EDITOR AND OWNER.

## To The Public.

On account of ill health, I have leased The Bourbon News office to Mr. Geo. D. Mittenell, for a term of years, who will conduct the paper in the future. Mr. Mitchell is an experienced newspaper man, having been associated with such papers as the Kansas City Journal, the Cincinnati Enquirer and other journals, and is conversant with all the details pertaining to the management of a newspaper, and I take pleasure in recommending him to the public, and am satisfied that he will conduct the News in a way that will reflect credit upon himself and the paper. Mr. Mitchell will take possession on January 1st.

In severing my connection with the News for the time being, I desire to return my sincere thanks to a generous public for the hearty support that has been accorded the paper, and bespeak for Mr. Mitchell the good will and support of its patrons. SWIFT CHAMP.

The Lexington Leader says that more room is needed at the Reform School. The institution is less than three years old and there are 285 on the register. At the next session of the Legislature an appropriation of \$100,000 will be asked for the erection of more buildings.

## Barnum's Monkeys

"All well—all happy—lots of fun". That is the regular report from the monkey cage of Barnum's Circus ever since the keepers began dosing the monkeys with Scott's Emulsion. Consumption was carrying off two thirds of them every year and the circus has to buy new ones.

One day a keeper accidentally broke a bottle of Scott's Emulsion near the monkey cage and the monkeys eagerly lapped it up from the floor. This suggested the idea that it might do them good. Since then the monkeys have received regular doses and the keepers report very few deaths from consumption. Of course it's cheaper to buy Scott's Emulsion than new monkeys—and that suits the circus men.

Consumption in monkeys and in man is the same disease. If you have it or are threatened with it can you take the hint?

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle. Send for free sample. SCOTT & BOWNE, 409 Pearl St., New York. 50c and \$1. all druggists.

## You Do, or You Don't Need Glasses

The eye being a rather delicate organ, great care should be exercised in the selection of proper glasses. Many believe that glasses should be resorted to only when the sight becomes so defective as not to be able to do without. This is a great mistake which must be combatted. Whenever there is unmistakable evidence of the need of their aid, they should be used. A neglect of this rule sometimes produces mischief which results in serious trouble if the course be persisted in.
